o a Review

- Read the story and underline all the **o** and **a** words.

Olivia went for a wander in the park one day. She stopped at a park bench by the lake to eat her orange and watched the swans in the water.

In the distance, she could hear the soft croaks of the frogs. What a beautiful day – the sun was shimmering on the top of the water and the breeze was blowing softly through the trees. A swallow flew past on its way to gather insects from the lake. The warmth of the sun made her feel sleepy. Olivia closed her eyes and imagined herself as a bird, flying around from flower to flower, enjoying being swept up in the soft breeze. BEEP! BEEP! BEEP!

Suddenly Olivia opened her eyes. It was her watch beeping. She was not at the lake, but in her hammock, and had fallen asleep reading a book. It was all a dream, but what a lovely dream!
