Students love learning about colors and color words as they complete these emergent readers that they can read, read, and read again!

EMERGENT READERS-----3-46

1) Red-----	3
2) Orange-----	7
3) Yellow-----	11
4) Green-----	15
5) Blue-----	19
6) Purple-----	23
7) Pink-----	27
8) White-----	31
9) Gray-----	35
10) Black-----	39
11) Brown-----	43

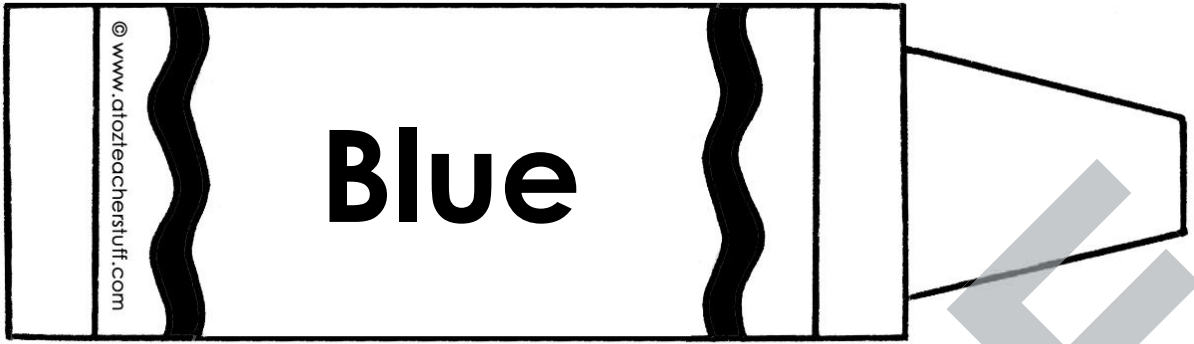

COLOR WORD CUTOUTS-----47-57

Color word cutouts have been added in the 2nd edition so students can cut out the color word and paste it into the blank, instead of writing the color word. I found this useful with beginning writers who have trouble writing the word clearly enough so it can be read later. This also gives students extra practice with cutting and gluing. ☺
