VIEWING & PRINTING TIPS

- ✓ You should save this file to your computer so you can revisit at your convenience to print pages as needed.
- ✓ The latest version of Adobe Acrobat is recommended. You may have more than one version on your computer. Uninstall the old version(s) if you are having problems.
- ✓ Adobe Acrobat Reader may have the option "Fit to Page" checked by default. This may or may not result in a better printout. Experiment with this to get the best results & correct size.
- ✓ If you have problems printing, try checking the option "Print as Image."
- ✓ If the pages are printing without the images, your computer may be low on memory or resources. This is a common problem associated with Adobe Acrobat Reader. Restart your computer and try printing again. Also try sending fewer pages to the printer at a time. If you don't have the most current version of Acrobat, you may also experience problems

Seasons

If I were a leaf falling from a tree...

My favorite part of the fall is...

The day I got lost in a corn field maze...

I cut open a pumpkin and found...

Holidays

If I could dress up as anything, I would be...

If I were a turkey...

My trip to the North Pole...

When Santa retires...

The year I saved Christmas...

If I could be cupid...

If I found a pot of gold...

If I were the Easter Bunny...

Unit 5 **Writing**

If I were a superhero...

If kids ran the country...

If I could breathe fire...

If I flew on a shooting star...

Instead of caterpillars turning into butterflies,
they should turn into...

The day I invented...
