How to Use This Book...

This book is designed to help the busy educator provide short, but effective writing lessons during the writing period. These 25 lessons can be put together as outlined below:

- Copy each of the following pages onto a heavy cardstock. Laminate for durability.
- Cut each page into fourths. Stack one lesson on top of the other.
- Punch a small hole in each of the top, left hand corners.
- Keep the mini-lesson cards together by placing a metal ring through the holes and fastening.
- Your 25 mini-lessons are ready to use as you need them!
- Ideal for teaching such concepts as:
